

SEA★STAR

Sea Star Vineyards is located on the idyllic shoreline of North Pender Island. Voted one of the top 5 “New” Vineyards to watch out for in BC we are beyond pleased to present them this month as our Feature & Friend Winery of the month.

Salish Sea

We named our blended white wine Salish Sea to celebrate the distinctive growing region that we are blessed to call home. Coaxing out the best qualities of Ortega and Siegerrebe, our winemaker has captured the aromas of melon, grapefruit, peach, guava and herbs, all contributing to a clean and fresh flavour with a long finish. An expressive and aromatic wine.

Blanc de Noir

One of the most coveted Rose's in BC the Sea Star Blanc De Noir is made from the Pinot Noir grape. The Pinot Noir grape, a “Star” originally from Burgundy, flourishes in our Southern Gulf Island climate. The fruit is whole-cluster pressed, embellishing the wine with an appealing colour to match its enticing flavour.
