

The story of the Schales Family is one that has been etched out of tradition and flavored with passion. It is the story of a love affair that began in 1783 when Christian Schales planted his first grapes in the small Rheinhessen Village of Dalsheim.

And today, 8 generations later, the story continues in British Columbia's Okanagan Valley

Riesling Classic 2015

Sourced from 30year old vines and produced only in stainless steel tanks. This "Queen" of German wines offers oodles fruit and acidity in perfect balance. It features a scintillating fruity lemon nose, and ripe apples on the palate. A Riesling which will surprise and convince at the same time, as it is not sweet at all and for that reason a matchmaker when it comes to food pairing

Pinot Noir 2014

This wine is layered with classic Pinot Noir aromas of cherry, raspberry and the typical earthiness. It is an elegant yet robust wine which delivers a gentle hint of spice & a smooth long finish. Fine Tannins give a great texture too. Aged 12 month in most neutral French Oak Barriques as we are not after a woody/massive wine and rather stay on an elegant & soft Pinot Noir expression.
