

BCRFA Restaurant COVID-19 Safety Plan

DOCKSIDE RESTAURANT

This COVID-19 Safety Plan is our business' step-by-step response to increased awareness around, and our enhanced protocols for, the health and safety for our staff and our customers.

Our business is committing to following the steps outlined in each of the 6 areas mandated by WorkSafe BC and the official Public Health Order. Our plan includes outlining our physical changes, our increased protocols and our required usage of PPE. We also outline the training we will be providing for our staff to ensure that the processes are followed.

Our goal with this plan is to create a workplace that is aware and responsive to the new protocols and physical changes to our workplace as a result of COVID-19. Through our enhanced awareness, we aim to help the Provincial Ministry of health to reduce the risk of person-to-person transmission through the following 6 measures in order of priority:

- 1 – Creating more space between patrons and staff in our business.
- 2 – Reducing the number of people in our business at any one time according to the latest Public Health Order.
- 3 – Establishing new rules and guidelines for our staff to follow to help keep people physically distanced and to enhance our cleaning regimens.
- 4 – Defining what positions and in what situations our staff will safely be using PPE, particularly non-medical masks, to limit exposure to respiratory droplets. This includes training on how to use masks correctly.
- 5 – Limiting private gathering to no more than 50 people in accordance with the PHO.

Our plan is current as of this date: April 1, 2021

Our contact for COVID-19 related concerns is: Nicolle Vaupotic

You can reach our COVID-19 contact by email at: nicolle@docksidevancouver.com

Our customer-facing version

of this plan is available online at: www.docksidevancouver.com

Per the Public Health Order, our capacity has been reduced from

Dinning Room 200 to 77 Lounge 120 to 42 Patio 235 to 137

Risks in Our Workplace

We have worked extensively with our staff and identified the following risk areas in our workplace. We have accessed both physical proximity issues as well as surface contamination issues.

We have identified the following areas where people gather as points where 2 metres of physical distancing is difficult to maintain:

- Server stations
- Kitchen Front Line
- Dishwasher Area
- Hostess Station

We have identified the following job roles, tasks and processes where workers are frequently close to one another or members of the public for periods of time that are longer than 15 minutes:

- Hostess
- Kitchen: cooking online
- Dishwashers: washing dishes

We have identified that the following kitchen equipment, smallwares, computer and POS terminals are high touch surfaces that must be subject to rigorous cleaning protocols:

- Moneris Terminals
- POS Terminals
- IPADS & Telephone at Host Stand
- Coffee Pots
- Pepper Mills

We have identified that the following locations as high touch surfaces that must be subject to rigorous cleaning protocols:

- Hostess station
- Server Stations
- ALL Door handles FOH & BOH
- Payment Counters
- Light Switches
- Expo Line

We have created new protocols for reducing risk

In collaboration with our entire staff team and in consulting with the WorkSafe BC guidelines for Restaurants and the Public Health Order, we have outlined the following processes for reducing risk in our workplace.

All FOH & BOH items, surfaces and handles have been sprayed with ZEROBLAST on November 30th, 2020 as an added layer of protection above and beyond our stringent protocols for sanitizing as outlined below.

Our enhanced Front of House Protocols are:
Servers & Food Expeditors will:

- Have a dedicated place at every table from which to serve.
- All servers and bussers will be wearing masks
- Will stand back at least 3 feet from the table when speaking to guests and approach the table only for service of food and beverage.
- Leave drinks or food at a distance when possible and let the guests place them after the server or expeditor has stood back.
 - For water service, staff will provide water in a bottle or jug at the table and allow guests to pour their own water. For coffee service, staff will not touch cups when refilling.
- Hold plates underneath with the thumb on the rim & use onetime use linen napkins to carry
- Use the cup handle to place cups on tables.
- Use the stem to carry wine glasses.
- Grip utensils by the handle and don't let handles touch the food.
- Keep hands off the bowl of a spoon or prongs of a fork.
- We will create signage to clearly separate entering and exiting.
- We will place 2 m markers on the floor outside washrooms.
- Whenever possible, we will open windows, guest doors or roll-up doors to allow fresh air into our space while limiting the use of standing fans.
- We have closed buffets or self-service temporarily.
- Removal of all salt and pepper shakers, sauce dispensers and other table top items and only provide items when requested.

DOCKSIDE RESTAURANT

- Food Menus: guests will have the option for digital QR codes or a hard surfaced menu sanitized before after each use.
- Staff will wear an apron that allows the server to have an extra layer between their clothes and the guest. This protects the server's clothes and still looks professional.
- For leftovers, staff will provide the guest with the container and let them pack the to-go box.

Our enhanced Back of House Protocols are:

- We will limit the number of people who aren't cooks and chefs entering the kitchen area. This includes deliveries, service technicians and sales people. For any deliveries that would normally enter the kitchen, we will create a staging area for deliveries. Our receiving/delivery log will include date, time, company
- Use of gloves:
 - Gloves recommended for cold food preparation and cold plating.
 - Gloves mandatory when handling deliveries and receiving raw food product and must be changed frequently or after each task.
- Kitchen and prep areas are wiped down in 30-minute intervals with approved sanitizer. This will include all fridge and door handles and faucet handles in the kitchen.
- Our chefs and cooks will not regularly share knives, utensils or service tools. If shared, they will be cleaned/sanitized between users.
- In the dishwashing area, all employees will wear gloves and masks and/or face shields.
- The dishwashing area will be clearly divided into "Clean End, "Dirty End" so dishwashers are not loading clean dirty and then removing clean to cross-contamination.
- All kitchen sinks will have hand-washing instructions.
- Our cook and chef teams will observe social distancing whenever possible, i.e. when in the walk-in fridges/freezers, dry storage area, during staff meetings, staff meals, receiving orders, large prep jobs, etc.
- Our team members working in an open kitchen will wear face shields and or masks

Our People Protocols are changing to respond to COVID-19.

Our staffing protocols have changed as follows:

- We require staff to declare that they will not come to work if they have had symptoms of COVID-19 in the 10 days prior to their shift. Should staff experience symptoms of COVID-19, they are required to contact Public Health at 8-1-1 and self-isolate if required.
- We have also required staff to refrain from coming to work if they have had close exposure to a person currently diagnosed with COVID-19.
- Anyone who is returning to our workplace after travelling must have self-isolated for 14 days while monitoring for symptoms before they can work in our business.
- We have set in place staggered arrivals, breaks and shift ends, allowing 15 minutes between shift starts.
- All staff must wash their hands upon arrival at work at the beginning of each shift and upon return from any breaks.
- Visitors to our back of house for deliveries and service are required to wear masks and recorded as follows to assist with tracking in our delivery log. Business Name, Date, Time name of representative
- As we are a restaurant, our staff must come in to work however, we are engaging in regular health and safety conversations and ensuring that our staff are bringing forward any concerns about the new work flow or restaurant layout in order to improve our COVID-19 response.
- We have posted a Health Resource document to orient our staff to COVID-19 and any related health, bullying and mental health resources.
- We are actively monitoring our social media and our guest feedback online and in person to ensure that we are not experiencing any backlash or negative engagement with customers and managing difficult situations accordingly to assist our staff through this difficult transition.

DOCKSIDE RESTAURANT

Our customer protocols have changed as follows:

- We have a hand sanitizing station for guests and staff when they enter the restaurant entry zone to immediately clean hands and upon entering.
- All guests entering our property MUST be wearing a mask unless seated at their dining table
- Parties will be limited to groups of no more than 6 and will be asked if they are in accordance with the current active Provincial Health Order
- **We are not holding private events**
- Reservations are recommended. Guests will be able to make a reservation online or come into the restaurant to put their name on a list.
- Waiting for a table will be outside and will be contacted by phone when their table is ready
- **For all dine in guests, we will collect through our online reservation or our hostess station, the first and last name of one guest per party and their phone number.** Records will be kept per the Public Health Order for 1 month. Contact information will be used for the PHO or purposes of the reservation or table booking only.
- Customers will be required to wait at appropriate 2 m distance in all areas where queuing is required.
- Customers collecting or requesting take out will wait in a separate location than dine in.
- Signage is posted at the entrance of the restaurant to ensure that no one with symptoms of COVID-19 or who has contact with someone diagnosed with COVID-19 will enter the restaurant.

We are aware that some guests may not like the new protocols we have instigated and have a staff person assigned to address issues. The point person is Nicolle Vaupotic.
